RE: Recommendation of Daniel Mitchell for State Board of Crane Operators

Dear Governor Wolf,

Please accept this letter as an indication of our strong recommendation for Daniel Mitchell to serve on the Pennsylvania State Board of Crane Operators. Mr. Mitchell's professional experience makes him uniquely qualified for this position and we are confident that he would be a strong asset to the Board.

Throughout his sixteen-year career, Mr. Mitchell has had extensive experience in the operation of various cranes, including tower, crawlers, rough terrain cranes, and large hydraulics. He is certified with the NCCCO, with crane licenses in Pennsylvania and New Jersey. Since February of 2018, he has served as the Curriculum Coordinator for Operating Engineers Local 542 JATC Fort Washington, Pennsylvania. In this position, he serves as the instructor for Local 542's Apprentice and Journeyman Training Program in all matters of safety and crane training. Additionally, he is the NCCCO Accredited Practical Examiner for Mobile cranes, Rigger I, and Signalperson, the NCCCO Member of the Telehandler Operator Task Force, the NCCCO Committee member for the Crane Inspector Exam Management Committee and attends all NCCCO Commissioner's meetings.

For the reasons outlined above and many more, it is our distinct pleasure to highly recommend Daniel Mitchell to serve on the Pennsylvania State Board of Crane Operators. Thank you for taking the time to review this letter and for giving Mr. Mitchell every consideration.

If you have any questions or would like to discuss his qualifications further, please do not hesitate to contact us.

Warmest regards,
